Education

University of Chicago, Chicago, IL
Ph.D in Computer Science — September. 2025 – Current

University of Michigan, Ann Arbor, MI
Bachelor of Science in Computer Science — Aug. 2022 – May 2025

Honors & Awards

University of Michigan Blue Ribbon Award, Ann Arbor, MI — Apr. 2024

Academic Presentations

ACM Internet Measurement Conference 2025, Madison, WI

- Shi, Y., Ashley, W., & Kon, P. *Unveiling the Nexus: Harnessing IoT Ecosystems for Evading Internet Censorship* [Poster]. https://eddshi.xyz/papers/nexus_poster.pdf

Research Experiences

Department of Computer Science, University of Chicago, Chicago, IL
Research Assistant, advised by Prof. Nick Feamster — Sept. 2025 – Current

- Research member for the DARPA project VeriWeird.

Censored Planet, University of Michigan, Ann Arbor, MI
Research Assistant Intern, advised by Professor Roya Ensafi — Jun. 2023 – Aug. 2023

- Conducted research under Professor Roya Ensafi and PhD student Anna Ablove on Internet Measurement data collection and analyses for a project concerning the growing trend of Geo-blocking ingress traffic from outside networks by both heavily censored and traditionally "free" nation-states.
- Developed the lab's official website and optimized the data fetching mechanism to improve server efficiency and cut costs.

Services

- **Free and Open Communications on the Internet 2026**, Calgary, AB, Canada
  Session Chair

Teaching Assistantship

- **Security, Privacy, and Consumer Protection**, Fall 2025
- **Introduction to Computer Science II**, Winter 2026
